HOW TO USE THE 2x2x2 SIMPLE DEVELOPMENT PLAN

The 2x2x2 Simple Development Plan supports a *focused, iterative growth process*. You will identify 2 Developmental Goals to work on for the next 2 Months. For each Developmental Goal, commit to taking 2 specific, concrete actions to improve. Once you have completed these steps, you will create a new 2x2x2 Simple Development Plan for the following 2 Months, etc.
